

(D) Denotes Deputy
(A) Denotes acting incumbent

DRCA Works Closely with FEMA’s Leadership Team:

DRCA has close working relationships with the following members of FEMA’s leadership team which allows us to develop public-private partnerships and address important operational, policy and legislative issues on behalf of our membership.

- Eric Heighberger – FEMA Chief of Staff
 - Eric is a former colleague & the most senior political appointee.
- FEMA Regional Offices:
 - Regional Administrators: We visit FEMA’s Regional Offices every year meeting with the Regional Administrator and members of his/her leadership team in Response, Recovery, Mitigation & Resilience.
- FEMA Response Division – Damon Penn, Director
 - The Response Division is responsible for disseminating all immediate needs commodities to State governments.
- FEMA Recovery Division, David Bibo & Keith Turi, Director and Deputy
 - The Recovery Division will fund the entire COVID-19 Disaster Declaration under the Public Assistance Program (PA).
- FEMA Logistics Division, Jeffrey Dorko, Director
 - The Logistics Division is responsible for sourcing all products, goods and services directly on FEMA’s behalf.

- FEMA Resilience Division, Carlos Castillo, Director & David Maurstad, FIMA Director
 - The Resilience is responsible for the implementation of FEMA's preparedness programs and grants, insurance, mitigation, and continuity programs.
- FEMA's Private Sector Division, Robert Glenn, Director
 - The Private Sector Division is the POC for all private sector communication & coordination.
